

PRAISE & PRAYER PROMPTER

APRIL 23, 2024		PRAYER REQUESTS
Lindy Wolner		<p>Praise: "Jesus said to her, 'I am the resurrection and the life. He who believes in Me, through he may die, he shall live. And whoever lives and believes in Me shall never die. Do you believe this?'" John 11:25-26</p> <p>Pray for our family to remember the assurance of salvation we have in Jesus as we reflect and remember Gary and John Gabel (father and son), our family members, who were killed in Afghanistan 10 years ago on April 24, 2014, while working for the gospel. Please pray for comfort and care for those they left behind (Betty, Theresa, 11 year old Laila, Kristen, Beth and extended family) as we gather in Chicago to remember our loved ones.</p>
Tina O'Hara		<p>Please pray for strength and trust in the Lord as my old landlord has filed an appeal on a judgment won recently. He is using delay and intimidation. I know the Lord goes before me, so pray for His protection and for me to stand firm! Thank you so much!</p>
REQUESTS FROM OUR MISSIONARIES		
Noelle (Europe)		<p>Thanks for your prayers for me and for the people of my country. Over the past month, I have been praying that my friends would be thirsty for the living water that we only find in a relationship with Jesus Christ. Praise God that He is bringing thirsty people across the path of our team and through the doors of our church plant. Praise God for R who has been attending church services this month and has started coming to Bible study as well. We were able to visit him in his home twice this month and clearly share the gospel.</p>
Lindsay (Europe)		<p>Pray for moments of rest. London is a very fast-paced city, and it can be hard to find ways to rest. Pray for friends as I always welcome prayers for more life-giving friendship! Please pray I would desire to be in God's word. Pray for financial needs for both the ministry (our growing church and Young Life) and myself.</p>
Baruch and Rivka (Middle East)		<p>We ask for Rivka to remain clear of cancer. Her surgeries went well, and her biopsied lymph node was clear (she had stage 2 melanoma discovered in April of 2023). We ask for continued prayer for spouses for our children. Please pray for discernment as we continue to reach out around the world with the gospel and discipleship teaching.</p>
Patrick and Carol (North Africa)		<p>Please pray for our youngest daughter (almost 21 years old) as she has some significant issues to overcome, and we are not sure how to help her. Pray for the authorization for the church. There has been progress. Pray also for wisdom for a training program we</p>

were asked to develop to train local private school teachers in teaching English.

Alicia (Middle East)

Pray for my language learning. A significant part of my time goes towards this. I've made a lot of progress and language learning has provided space for my most significant spiritual conversations so far. Pray for greater proficiency and for more friendships that are primarily based in the local language. Personally, I always miss my family, especially being far away from my four year old niece. Pray for good connections with her at a distance and for an opportunity to see her this year. She is not raised with any knowledge of God, so pray for God to make a way for her to know Him, as well as her parents (my sister and brother-in-law).

Daniel and Janine
(Middle East)

Please pray for us as we will soon be moving to the Middle East. Please pray for a favorable visa situation where we can get residency. Please pray for a supportive team and ministry that we can get plugged in to quickly. Please pray for Leila and Levi that they can find friends to play with and feel comfortable with the transition.

REQUESTS FROM OUR OVERSEAS MINISTRY PARTNERS

Overseas Council

Our gifts support the ongoing work of training pastors and leaders in North Africa who can then go back to their villages to equip others. Pray for Overseas Council's work and for the protection of those who attend the training. Many travel great distances to attend and often face obstacles getting to and from the training. Pray for the pastors and those they train in their villages as they face persecution, including from family members. The training offered, including seminary training, is the only training they have access to in their region.
