

## PRAISE & PRAYER PROMPTER

MARCH 26, 2024		PRAYER REQUESTS
Peter and Holly Cameron		Please pray for comfort and healing for our son, Ben, and his wife, Heather, as they mourn the loss of their daughter who was only here briefly before going home with the Lord. Help us to trust in you, Lord, even when we don't understand and don't know how to pray. Thank you that you put Your salve on our broken hearts.
		REQUESTS FROM OUR MISSIONARIES
Karen (Europe)		Praise for the chance to spend time with my friend Salma's two daughters! We walked around the mall, played arcade games, and sang karaoke together in the car. I am grateful for the time spent with a friend who recently visited from the States. It was such a blessing for each of us as well as my community and ministry here. Please pray for a new couple who will be joining our team. May we work together as a unified team for His honor and glory.
Steve and Amy (Southeast Asia)		There are also many Muslims in our city. Please join us in praying for them during the fasting month which ends in mid-April. Pray specifically for our friends, Mr. Thomas and Mrs. Sarah, as well as the boys' friend, Sawyer (and his family). Ask that the Father would draw them to Himself and soften their hearts to receive His Word. Also, pray that we would be alert to opportunities to share and that He would give the right words for the moment.
Tanner and Steffi (Middle East)		Praise God for the opportunities He gives us each day to be His instruments to share the gospel in this country. Ask that He continue to open doors with neighbors and those we meet to build relationships that lead to gospel conversations.
Daniel and Janine (Middle East)		We are getting close to raising the remainder of the support needed for our move overseas. Join us in praying for the remaining funds and for all the details related to our move that need to be finalized. Pray for our young daughter who is having to say goodbye to grandparents she has become attached to during our home stay these past few months. We are excited to begin this next phase of ministry!
Rob and Almaz (Sub-Saharan Africa)		Rob started learning Swahili in advance of an exploratory trip to Tanzania in a few months. We would love to eventually start a branch program there. Would you please pray for God's direction in these plans and for rapid comprehension and agility in this new language? Please continue to pray for peace, justice, and economic recovery in Ethiopia. Pray also for God's blessing on relationships with workers, community, and government officials.
Keith and Nahla		Thank you for your wonderful partnership in our ministry to the lost and hurting people of our country. In this time of turmoil, war, and

hardship, we see that the Lord continues to lead and use us to comfort and help families on the brink of collapse. We could not be here to provide the comfort and compassion of Jesus Christ without your prayers and support. Please join our congregation, praying that the Lord will provide for the needs of the Church as it continues to impact our community for Christ.

### 30 DAYS OF PRAYER FOR THE MUSLIM WORLD (MARCH 10 - APRIL 8)

The Saharawi of Algeria

There are hardly any followers of Jesus among the Saharawi and very few workers among this unreached Muslim people group of about one million. Because of a long-lasting war in the region, thousands and thousands of Saharawis fled to their homeland to Algeria. Around 180,000 Saharawis have been stranded there since 1991 in what has become one of the oldest refugee camps in the world. There is little food, medical care, or education. Every day is a struggle for survival. Pray for workers who are willing to work among the Saharawi and together with Him, carry the living water to the desert. Pray God will send dreams and visions among the Saharawi, showing Himself as the giver of living water and awakening their thirst for spiritual refreshment. Pray that the few local followers will grow in their faith and witness courageously despite pressure and persecution.
